Now, all you have to do is tell all of your team members to sign up be sure to register as a team member and start fundraising. Fundraising now becomes two-fold:

- 1) Each team member will fundraise individually asking his or her personal friends and family to donate via their individual fund raising page. This allows each team member to build to their own goals to earn those great incentives as outlined on our "Fund Raising" informational.
- 2) Meanwhile, every team members' fundraising amounts will be pooled together as a team. The Team that fundraises the most wins~!

Q: What if someone wants to make a "blanket" or "Team" donation. Not to just one team member but to the whole team?

A: The team pages are not able to accept donations directly. You would have to go into the drop down box on the team page and choose each rider separately to donate.

Q: What if this "blanket" or "Team" donation is mailed in or made as a cash or check contribution?

A: Simple. Fill out a Contribution form and fill in the Team Name instead of an individual name. Then when it comes into the office, it will be split amongst all the team members as evenly as possible.

Q: How do we know how much we've earned collectively and where we stand among the other Team contestants?

A: Easy~! Just navigate your way to the donation page. The same one you sent your donor to via ParadiseRideKauai.com, click on the scroll down list of Team Pages (located in the green band) and check it out~!

Q: What if I want to join a team after I've registered individually?

A: Not a problem. Simply email barbara@malama-pono.org with the information and your request will be manually done.

Q: What is the deadline to register as a team or team member?

A: August 1, 2010.
